

Evidencing the Impact of Primary PE and Sport Premium

Tupton Primary School:

Affiliated to North East Derbyshire School Sport Partnership

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

<p>Provision of two Play Leaders at lunchtime. £2730 x2= £5460</p>	<p>To improve engagement and behaviour at lunchtimes in physical activity and group games.</p>	<p>Yes – Through monitoring by the Pastoral manger and daily liaison before and after lunchtime, it can be evidenced that firstly an increased number of children on a daily basis were engaged in adult led games provided by the play leaders. Along with a reduction in lunchtime issues related to behaviour.</p> <p>To continue this work into next year, linking the school council and 'pupil voice' into the decision making process. To decide on equipment and games for the lunchtimes.</p> <p>To provide further lunchtime support for the play leaders to continue to engage children in group activities – developing both physical and emotional skills.</p>
