

Think About It

If we aren't following the Golden Rules we will move to Think About It. This will give us chance to change our behaviour and show we are Ready to Learn!

Yellow

If we move to yellow, an adult will decide on a consequence.

This could be:

Missing part of break

Working at the Reflection Station

Working in another class

Red

If we move to red, a member of the senior leadership team will decide on a consequence and they will also make a phone call to our grown up at home.

A Quick Guide to The Tupton Golden Rules

Our Golden Rules

We are kind,
respectful and
think of others.

We keep
everyone safe.

We try our best
and work
hard.

Rewards

We can earn Dojo points for following the Golden Rules. When we have earned 50 Dojo points we can choose a prize.

If we work hard we might get moved to Great Job or Outstanding and get extra Dojos, a postcard home or a Headteacher's Medal

Star of the Week

Every week we celebrate achievement by choosing a Star of the Week for each class.
