1. AIMS

The academy aims to ensure that:

- a suitable member of staff (qualified teacher) is appointed as the designated teacher for looked-after and previously looked-after children
- the designated teacher promotes the educational achievement of looked-after and previously looked-after children, and supports other staff members to do this too
- the designated teacher works with the requirements of each relevant Local Authority
- staff, parents, carers and guardians are aware of the identity of the designated teacher, how to contact them and what they are responsible for

2. DEFINITIONS

Looked-after children are registered students that are:

- in the care of a local authority, or
- provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

Previously looked-after children are registered students that fall into either of these categories:

- they were looked after by a local authority but ceased to be as a result of any of the following:
 - a child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
 - a special guardianship order
 - an adoption order
- they appear to the governing board to have:
 - been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
 - ceased to be in that state care as a result of being adopted

Personal education plan (PEP) is part of a looked-after child's care plan that is developed with the academy. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across academies to monitor and support these students as if they were in a single academy. The VSH is also responsible for providing information and advice to academies, parents and guardians in respect of previously looked-after children. The VSH is part of a wider virtual school team (VST).

- have overall responsibility for leading the process of target-setting in PEPs
- monitor and track how looked-after children's attainment progresses under their PEPs

- ensure the identified actions of PEPs are put in place
- during the development and review of PEPs, help the academy and relevant local authority decide what arrangements work best for students
- ensure that:
 - a looked-after child's PEP is reviewed before the statutory review of their care plan – this includes making sure the PEP is up to date and contains any new information since the last PEP review, including whether agreed provision is being delivered
 - PEPs are clear about what has or has not been taken forward, noting what resources may be required to further support the child and from where these may be sourced
 - the updated PEP is passed to the child's social worker and VSH/VST ahead of the statutory review of their care plan
- transfer a looked-after child's PEP to their next academy or college, making sure it is up to date and that the local authority responsible for looking after them has the most recent version

- work with curriculum leads & SENDCO on provision where appropriate
- make sure PEPs work in harmony with any education, health and care (EHC) plans that a looked-after child may have
- ensure that, with the help of VSH/VSTs, they have the skills to identify signs of potential SEN issues in looked-after and previously looked-after children, and know how to access further assessment and support where necessary
- ensure that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and understand where the academy can draw on specialist services
- put in place robust arrangements to have strengths and difficulties questionnaires (SDQs) completed for looked-after children, and use the results of these SDQs to inform PEPs

The designated teacher will:

- proactively engage with social workers and other professionals to enable the academy to respond effectively to the needs of looked-after and previously looked-after children

- make sure that for each looked-after child:

 - academy policies are communicated to their carer and social worker and, where appropriate, birth parents
 - teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips

 - contact the VSH/VST as soon as possible so they can help the academy decide how to support the child to improve their behaviour
